## FOR IMMEDIATE RELEASE

### The Op Games & PLAY Across America™ “It’s time to PLAY! Got Game?”

5 January 2026 — *The Toy Man® Product Guide* (part of Toy Man® Global, LLC) is proud to announce *The Op Games* as the Official Game Partner of *PLAY Across America* 2026, a one-of-a-kind experiential journey celebrating connection, creativity, and play across the United States, hosted by Rev. James G.W. Fisher.

From February 10–13, 2026, *The Op Games* will travel alongside *The Toy Man* aboard *Amtrak* from Los Angeles’ Union Station to New York City’s Penn Station, leading up to *Toy Fair* 2026. During the three-day cross-country journey, passengers will be invited to slow down, unplug, and play, transforming the *Amtrak* train into a rolling hub of laughter, conversation, and shared experiences.

Travelers will have the opportunity to play a curated selection of *The Op Games*’ most popular titles, including *Telestrations®*, *Blank Slate®*, *Hues & Cues®*, *Tapple®*, *Flip 7®*, *Tacta™*, *10 Days in the USA®*, *Wonky®*, *Glyphics®*, and *Hutan™*, with product demonstrations and giveaways throughout the trip.

According to *The Toy Man®*, “The Op Games is thinking outside the box by not just giving away games on the *Amtrak* train; they are bringing the spirit of play to life.”

“The Op Games is proud to enhance the *Amtrak* passenger experience through play, creating authentic, memorable moments where games naturally bring people together for hours at a time,” said Dane Chapin, Founder and CEO of *The Op Games*.

*The Op Games* will support the *PLAY Across America* promotion with a robust assortment of games onboard, along with coordinated email marketing and social media campaigns to amplify the experience beyond the train and into homes across the country.
